## DETAILED ACTION

### Examiner's Amendment

1. An examiner's amendment to the record appears below. Should the changes and /or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.3.12. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The following claim has been amended upon agreement by applicant during a telephone conversation with Attorney Richard Ferrara on 09/14/2006.

Amendments to claims 1, 23, 36, 41, and 46:

Claim 1 (Currently Amended):

A vehicular lamp used for a vehicle, comprising: a semiconductor light emitting element for generating light used for a vehicular headlamp to emit said light forward from said vehicle; and a current controlling unit for reducing the current supplied to said semiconductor light emitting element for switching the vehicular lamp to a position lamp and to prevent the temperature in the lamp from increasing during a course of time that the vehicular lamp is turned on as the vehicular headlamp, wherein said current controlling unit reduces said current, if said vehicle is stopped.

Claims 2 and 5 have been canceled.

3. The Examiner's amendment has been made in order to place the application in a condition for allowance.

***Reason for Allowable***

4. The following is an examiner's statement of reasons for allowance:

Regarding claim 1, the art of record fails to teach a vehicular lamp used for a vehicle, a current controlling unit for reducing the current supplied to said semiconductor light emitting element for switching the vehicular lamp to a position lamp and to prevent the temperature in the lamp from increasing during a course of time that the vehicular lamp is turned on as the vehicular headlamp, wherein said current controlling unit reduces said current, if said vehicle is stopped with a combination of all recitations as defined in claim 1.

Therefore, claims 1, 3-4, and 6 are presently allowed.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
